Goal C:

Strike “To the extent possible, maintain” and insert “Contribute to” instead.

Goal A Objectives, add 4<sup>th</sup> objective: “Identify, manage, and maintain a DPC or DFC and/or plant community seral stages that sustain livestock grazing”

Goal B Objectives:

- Strike 2<sup>nd</sup> objective
- Add new 2<sup>nd</sup> objective: “Allowing grazing retention while facilitating emerging and alternative uses of AUMs, i.e., carbon sequestration, sage grouse habitat restoration, etc.”

Add new objectives for Goal C:

1. Allow the adoption of new technologies needed to sustain livestock grazing.
2. Allow range improvements necessary to sustain livestock grazing.
